Bath & Brush Services

If your dog is staying a couple nights or more, we highly recommend you schedule a bath. After rolling around with multiple other dogs for days, they tend to become a little smelly...

If you'd like your dog bathed on the day of pick up, you must pick up after 1pm or we will not be able to do so. If you schedule pick up before 1pm the bath will be completed right before bed. A pick-up time must be provided, or we will bath when we see fit
